

51446-62-9 Longan Plant Extract Powder Phosphatidylserine For Memory Concentration

Our Product Introduction

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 100Grams
- Price: USD
- Packaging Details: 1kg/Foil Bag
- Delivery Time: 3-7days after received payment
- Payment Terms: T/T, Western Union, PayPal
- Supply Ability: 5000KG Per Year

Product Specification

- Product Name: Phosphatidylserine
- Cas: 51446-62-9
- Appearance: Yellow Powder
- Purity: 99%
- Usage: Memory & Concentration
- Highlight: **51446-62-9 Plant Extract Powder, Longan Plant Extract Powder, Phosphatidylserine Powder**

Product Description

CAS 51446-62-9 Longan Raw Powder 99% Phosphatidylserine For Memory & Concentration

CAS: 51446-62-9
 Application: Medicinal
 Storage Method: Normal
 Raw Material: Plants
 Specification: 100G/BAG 1KG/BAG
 HS Code: 2932999099
 Certification: BRC, ISO, HACCP, in-House Standard
 Appearance: Solid
 Extraction Process: Chemical
 Packaging Material: Aluminum Foil Bag
 Transport Package: Aluminum Foil Bag
 Origin: China

Function:

- (1) Effectively improve the vitality of brain cells and has good curative effect for the treatment of brain atrophy, prevent alzheimer's disease, improve brain function in the elderly.
- (2) Phosphatidylserine(CAS51446-62-9) has a significant effect on insomnia, distraction, hyperactivity and other symptoms.Lengthening the attention period of teenagers and increasing the concentration of learning, effectively improve the learning performance.
- (3) Phosphatidylserine(CAS51446-62-9) can be used in infant milk powder and dairy products to improve the brain cell membrane, improve intelligence, concentrate attention and avoid children's hyperactivity.
- (4) Prevention and treatment of cardiovascular and cerebrovascular diseases.
- (5) Phosphatidylserine(CAS51446-62-9) is a strong antioxidant that effectively scavenging free radicals, and is an effective antiaging nutrient.
- (6) Phosphatidylserine(CAS51446-62-9) can Improve the immunity of the body.

ANALYSIS ITEM	SPECIFICATION	RESULT	METHOD
Appearance	Light Yellow or Brown Powder	Complies	Visual
Odor	Characteristic	Complies	Organoleptic
Water(KF)	≤5.0%	1.21%	/
Peroxide value	≤20 meq/kg	Complies	CP2010
Heavy Metals	<20ppm	Complies	CP2010
As	<2ppm	Complies	AAS
Total Plate Count	<1000cfu/g	20cfu/g	CP2010
Yeast & Mold	<100cfu/g	41 cfu/g	CP2010
E.Coli	Negative	Complies	CP2010
Salmonella	Negative	Complies	CP2010
Assay			
L-α-Phosphatidyl-L-serine	≥60.0%	61.2%	HPLC
L-α-Phosphatidylcholine	≤12.0%	10.31%	HPLC
L-α-Phosphatidylethanolamine	≤10.0%	7.16%	HPLC
L-α-Phosphatidylinositol	≤5.0%	1.12%	HPLC
L-α-Phosphatidic acid	≤18.0%	12.64.%	HPLC

Usage

1,Phosphatidylserine(CAS51446-62-9) could improve brain function and improve Alzheimer's disease: age, phosphatidylserine, and other important brain chemicals will gradually decrease, leading to decreased memory and cognitive abilities. Addition of Phosphatidylserine(CAS51446-62-9) can increase the number of brain cell membranes in the brain and promote glucose metabolism in brain cells, making brain cells more active. Italy, Scandinavia, and other European countries are widely used in Phosphatidylserine(CAS51446-62-9) supplements for the treatment of memory loss caused by aging and Alzheimer's disease.

2, help repair brain injury, brain Phosphatidylserine(CAS51446-62-9) is a main component of the nerve, with a variety of nutrition and enzyme activity of brain neurotransmitter, can delay the reduction process to help remove the restoration and repair of damaged brain cells and harmful substances

3, to ease the pressure, promote the recovery of brain fatigue, emotional balance: a number of studies have shown that Phosphatidylserine(CAS51446-62-9) can significantly reduce the levels of stress hormones in high tension, reduce stress, relieve brain fatigue, but also can promote the focus, improve alertness and memory, alleviate bad mood.
