Our Product Introduction

for more products please visit us on bodybuild-supplement.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 10Grams
- Price: USD
- Packaging Details: 1kg/Foil Bag
- Delivery Time: 3-7days after received payment
- Payment Terms: T/T, Western Union, PayPal
- Supply Ability: 5000KG Per Year

Product Specification

- Product Name: Argipressine
- Cas: 113-79-1
- Appearance: White Powder
- Purity: 99%
- Usage: Pharmaceutical Material
- Highlight: Arginine Vasopressin, Argipressin Acetate, CAS 113-79-1

Product Description

Arginine Vasopressin Argipressine Argpressin Acetate CAS No 113-79-1

Product Description

Argpressin Acetate CAS No. 113-79-1

Sequence: Cys-Tyr-Phe-Gln-Asn-Cys-Pro-Arg-Gly-NH₂

Argipressin is a peptide hormone with vasoconstrictive and antidiuretic activities. Argipressin's two primary functions are to retain water in the body and to constrict blood vessels.

P r o d u c t N a m e	Argpressin Acetate/Arginine Vasopressin
C A S N O .	113-79-1
A p p e a r a n c e	White Powder
P u r i t y	98%, 99% or customized
A p p l i c a t i o n	Drug peptides
U s a g e	Argipressin is a peptide hormone with vasoconstrictive and antidiuretic activities.

Customized Service

Service Process:

1. Submit your custom peptide sequence info and specifications
2. Provide quotation and answer any technical questions.
3. Production and provide HPLC, MS test reports.
4. Deliver the goods on time according to the contract.

Our Advantages

1. We are a manufacturer of API and 5 production lines for peptide API.
2. GMP approved factory and owned laboratories, to make sure provide high-quality products.
3. Custom peptide synthesis service is available.
4. Personalized cancer neoantigen peptide vaccine production with shorten cycle and reasonable price.
5. COA certificate is available to meet customer's requirements.

Packaging & Shipping

FAQ

1.What is your products range?

A: Peptides pharmaceuticals, Cosmetic peptide, Custom peptide, OEM Service for Personalized cancer neoantigen peptide vaccine etc.

2.How to confirm the product quality before placing orders?

A: Offering you our products specification standard. If you have special requirements, we may customize it according to your requirement until to your approval.

3.What is the payment term?

A: T/T, Western Union, Paypal, Money Gram etc.

4.What is your package?

A: Powder: PE bag, aluminium foil bag, glass bottle or PTFE bottle for inner packing.

Liquid: Glass bottle or PTFE bottle for inner packing

Bulk order: Fiber drum or steel drum.

5.What is your delivery term?

A: FOB, CIF, etc. You can choose the one which is the most convenient or cost effective for you.

6.How to delivery by express?

A: Parcel will be shipped by DHL, Fedex, TNT, EMS, ePacket and USA Domestic mixed shipping and so on.

7.Is there a discount?

A: Yes, for larger quantity, we always support with better price.

8.What's your MOQ?

A: For the high value product, our MOQ starts from 1g and generally starts from 10gs. For other low price product, our MOQ starts from 100g and 1kg.
